Please be aware that some course delivery may take place off campus and between The Windsor Forest Colleges Group sites.

Use the QR codes on the subject pages to visit our website and find out about the skills you will gain on each course as well as the employers we work with.

# Welcome

I am delighted that you are considering studying at Langley College. We are really proud of our students, our staff and everything that we achieve together.

We believe that all our students have amazing potential and that it's our job to work with you to unlock that potential. We want you to aspire to be the best you can be – and we will do everything we can to help you achieve your ambitions. We hope you will join us at our Open Evenings and see our wonderful campus for yourself.

**Gillian May**  
Group Principal and CEO

We are committed to providing high quality education and training for our students, and our excellent team of specialist teachers and support staff will help you to excel in all you do.

Our students tell us they appreciate Langley College's open and supportive environment. They feel valued for who they are, and they talk about an ethos where respect, positive values and friendship make anything possible. This is something we are all very proud of.

Thank you for your interest in our College and we hope we can welcome you to Langley College soon.

**Anne Entwistle**  
Principal

# How to Apply

## Your Step-by-step Guide to Studying at Langley

### Step 1: Choose Your Course

We offer a wide range of courses at all levels – if you're still not sure, give us a call on **01753 793000** or email **info@windsor-forest.ac.uk** for independent advice.

### Step 2: Apply

Apply online at **langley.ac.uk/study**. You shall receive an email to confirm we have received your application.

### Step 3: Attend Your Interview

You will be invited to book an interview, where you will discuss your course choice and plans for the future. This will also give you the opportunity to ask any questions you may have too.

### Step 4: Offer

Following a successful interview, you shall be made a conditional offer via email.

**Please note:** This can take up to 14 days. To accept your conditional offer, please log back into your Student Portal. You need to accept your offer to receive your invitation to enrolment.

### Step 5: Enrol

You will be sent instructions on how to enrol onto your course the summer before you start with us.

### Step 6: Get Your Results

You will need your exam results to be able to enrol onto your chosen course. If your results are better than expected or you didn't do as well as you'd hoped, we can find a suitable alternative.

### Step 7: Start College

We look forward to welcoming you in September!

# Study Programme

**Our study programmes combine your chosen subject with a range of transferable skills to enhance your learning and help you develop. We will equip you with the skills and knowledge required for progression onto university, apprenticeships or employment.**

## English & Maths

Development of English and maths skills is essential for successful progression. We will support you to ensure you leave us having achieved the best grades you possibly can. You will be timetabled into a class that is the right level for you based on your grades and prior experience. All students will be working towards attaining a grade 4 or above at GCSE.

### Already Achieved a Grade 4 or Above at GCSE?

You will not be required to study additional English and/or maths.

### Achieved a Grade 3 at GCSE?

You will be enrolled onto a GCSE course and will work towards gaining a grade 4 or above as part of your study programme.

### Achieved Lower Than a Grade 3 at GCSE?

You will be enrolled onto a GCSE course or another appropriate English and/or maths qualification at an appropriate level.

## Practical Lessons, Lectures & Tutorials

These planned activities take place on our extensive campus and will help you develop your independent study skills. You will focus on extending your practical skills and knowledge to gain a strong understanding of your chosen subject area.

## Personal & Professional Development

Employer links are important and help you focus on gaining skills you need for your future career. Your study programme may include visits from industry professionals or trips to business venues and workplaces. College life will also help you develop the skills required to be successful in your chosen career. Good punctuality, attendance and commitment to your study programme is an expectation.

## Volunteering

Involve yourself in additional activities that will enrich your development and boost your CV. Our Student Support team can help you find a volunteering opportunity that suits you.

## Industry Placement

All students undertake an industry placement as part of their study programme.

Scan the QR code or visit

# Beyond the Classroom

**Langley's bright modern building has a positive, vibrant atmosphere with lots to keep you busy.**

It is a place where you can enjoy learning, build your confidence, make new friends and prepare for your future career. From sports and field trips to work experience and guest speakers, you'll have plenty of opportunities to develop the skills you need for life after work or further study.

## **Vibrant Student Union**

Our Student Union offers many opportunities to get involved. You could become a student rep or simply enjoy the many activities on offer. Show up, speak up and tell us what you think! Play your part and make a difference to College life.

## **Get Fit & Stay Active**

You'll have access to the onsite gym, Absolutely Fitness, and a recently renovated sports hall and conditioning suite.

Find out more about our facilities

We recognise that our students come to us with a range of different skills, abilities and experiences. Additional Learning Support is available across the College to help students with evidence of declared learning needs.

If you would like to speak to a member of our ALS team, please call us on **01753 793000** or email [learning.support@windsor-forest.ac.uk](mailto:learning.support@windsor-forest.ac.uk)

Find out how we can support your individual learning needs

# Student Services

These include:

**Student Welfare**

**Counselling**

**Industry Placement & Careers Advice & Guidance**

**Tutor Support**

**Financial Assistance (Discretionary Learner Support Fund & 19+ Learning Loans)**

**Additional Learning Support (ALS)**

Students at Langley College often comment on how supported they feel during their time with us, both with their College work and personal life.

As a Langley College student you will have access to a wide network of support services to help you make the most of your time here.

# Business

Start Your Career

Accounting · Account Manager · Human Resources  
Business Administration · Finance · Marketing

## Stephanie's Experience

"The thing I love most about the course is the ratio between lessons to guest speakers and trips. It helps us enjoy the course more and inspires us to do greater things."

### Level 1 Introductory Diploma in Vocational Studies

This **1 year course** requires four GCSEs at grade 2 or above.

### Level 2 BTEC Business Extended Certificate

This **1 year course** requires either four GCSEs at grade 3 or above, including English and maths or achievement of Level 1 at merit or above and English and maths at grade 3 or above.

### Level 3 Business BTEC National Extended Diploma

This **2 year course** requires either five GCSEs at grade 4 or above, including English and maths or a BTEC Extended Certificate Level 2 at merit and English and maths at grade 4 or above.

## Georgia's Experience

"I love how everyone here is so friendly and that we all support and push each other to succeed. The teachers are so supportive and are always there to help us whenever we need. I am given the opportunity to be creative and push myself. I love transforming clients giving them their desired look and they leave feeling good about themselves."

Part-time & Evening Courses Available

We also offer a Hairdressing & Beauty Therapy Undergraduate course

Please see page 52

# Health & Social Care

## Start Your Career

Midwifery · Nursing · Social Care Worker  
Care Management · Occupational Therapy

[www.langley.ac.uk/study/subjects/health-care-courses](http://www.langley.ac.uk/study/subjects/health-care-courses)

## Naomi's Experience

"I'm looking to become a Midwife or Nurse. I have accepted an offer from BNU to further my studies and acquire the required degree, my course at Langley has enabled me to follow my passion."

### Level 1 NCFE Diploma in Introduction to Health & Social Care & Children's & Young People's Settings

This **1 year course** requires four GCSEs at grade 2 or above, including English and maths.

### Level 2 BTEC Extended Diploma in Health & Social Care

This **1 year course** requires four GCSEs at grade 3 or above, including English and maths.

**Please note:** A Disclosure Barring Service check is also required.

### Level 3 (T Level) Qualification in Health & Care

This **2 year course** requires five GCSEs at grade 5 or above, including English, maths and science.

**Please note:** A Disclosure Barring Service check is also required.

We also offer a  
Health & Social Care  
Undergraduate course

Please see page 52

See More

### Level 1 Pre-Access Certificate in Health & Social Care for Learning Employability & Progression

This **1 year part-time course** requires no formal qualifications, ESOL learners are welcome.

### Level 2 Pre-Access Certificate in Skills for Working in Health & Social Care

This **1 year part-time course** requires no formal qualifications, English and maths functional skills or ESOL are welcome.

**Please note:** For all pre-access to HE courses, students must demonstrate enthusiasm and a commitment to the course.

Students would ideally have some work experience in a health and social care setting, but this is not essential. However some voluntary work or a part-time position is recommended, prior to applying.

### Level 3 Access to HE Nursing & Health Professions

This **1 year course** requires either GCSEs at grade 4 or above, including English and maths or functional skills at Level 2.

### Level 3 Access to HE Social Sciences & Education

This **1 year course** requires either GCSEs at grade 4 or above, including English and maths or functional skills at Level 2.

### Level 3 Access to HE Social Work & Mental Health Professions

This **1 year course** requires GCSEs at grade 4 or above, including English and maths.

For nursing and social work, students can be accepted at university with Level 2 functional skills qualifications instead of GCSEs.

**Please note:** For all access to HE courses, students may be asked to complete an initial diagnostic assessment. It may be possible to complete a maths course alongside the Access course. Very good IT skills are also required to complete and submit work.

## Nnenna's Experience

"I chose the course to help me explore the health professions field and get me into adult nursing by preparing me for university study."

# Apprenticeships

**Gain real work experience, develop your professional skills and get the training you need to secure a successful future in employment.**

## What is an Apprenticeship?

An apprenticeship is a job with training to industry standards. An apprentice is a paid employee who is training on the job and involved in an educational programme.

The apprentice gains the skills, knowledge and behaviours that they need to forge their career. This programme supports businesses to train the future workforce. An apprentice could be someone new to the industry or could be an existing member of staff.

## As an Apprentice You Will

- Work alongside experienced staff
- Earn a wage and get holiday pay
- Gain job-specific skills
- Get time for study related to your role

You are required to stay in education, employment or training until you turn 18 but this can include being an apprentice. Apprenticeships have a functional skills requirement in English and maths but learners who already have obtained the level required will be exempt from undertaking them. An apprenticeship is a real job where you will be employed full-time for the duration of your qualification. Apprenticeships also include an end-point assessment. It's an assessment at the end of your apprenticeship to make sure you're fully competent in your specific occupation.

## Our Apprenticeships

**Level 2 Accounts  
or Finance Assistant**

**Level 2 Beauty Therapist**

**Level 2 Carpentry & Joinery  
(Site Carpentry)**

**Level 2 Hair Professional  
Hair & Beauty**
